

Use of cookies

Star Network, as the provider of www.starnetwork.hu/en in order to improve your experience, places so called cookies on the user's computer. Cookies can be deleted by the user from his/her own computer, or users can set browsers to block cookies.

In this document we provide you the reasons why we use cookies and what options users have.

What kind of cookies we use?

Cookies from third-parties, that collect information on how users behave on our site. These cookies do not collect data which can identify the user itself, we use cookies for the following:

- Web analytics about how users behave on our site,
- Measure performance of advertisements,
- Build remarketing lists.

You can read the Privacy Policy regarding cookies used by third-parties on the site of these third-parties.
